

Call for Consignment Artists

The Fisher Gift Gallery welcomes new and established artists to display and sell their unique artwork in our contemporary gift shop. Proceeds help to support the many programs of the Farmington Valley Arts Center.

Artwork must be made by artists creating their own original works and/or with help from a limited number of assistants/apprentices. Work must express the personal aesthetic of the maker, demonstrate technical skill (attention to detail, design, function and finishes) and appear salable with attention to pricing and product presentation. Works must be made in the USA. All mediums are welcome including jewelry, ceramics, art-to-wear, metal, fibers, painting, glass, wood, paper/book arts, folk art and mixed media pieces.
