

Materials List

Mixed Media Abstract Painting with Heather Neilson

- **Canvas** - Approximately three 10x10 or larger size wrapped canvas or wood panel. I would not recommend anything bigger than 20x20. They do not have to be square size. The number you will need will depend on how fast you work and your preference. You could start with one or two and purchase more as needed.
- **Brushes** - student preference but recommend a 1" wide flat, a round brush and a couple of small brushes.
- **Foam brushes** - cheap foam brushes from hardware or job lot store - at least two 2"
- **Paint** - acrylic paint - any colors of your choosing but please include black, white, and highly suggest one of each primary - red, blue, yellow. Note: I will have yummy, special GOLDEN paint colors for you to try so do not buy a lot of different colors.
- **Matte medium** - I recommend GOLDEN brand but any brand is fine.
- **Printer paper or any scrap white paper** (for collage making and lifting-up paint) - approximately 15-20 sheets
- **Paper towels** - it gets messy!

Optional:

- Any favorite oil pastels, watercolor crayons, charcoal, pens, pencils, markers
- Any collage material or ephemera - I will have a lot to use and we will make our own but if you have some that you have been collecting and would like to bring, feel free to do so!
- Disposable gloves
- Apron
